This vehicle has been examined and has been processed through an 114 item extensive checklist/check-over process. Northern State Auto, Inc. has prepared a complete car check over list for this vehicle. We try to know what we are selling – as you would like to know what you have purchased. This list serves many purposes, for our information and yours. Hopefully, we are able to provide you with a better, more reliable and problem free vehicle through our efforts than what can be found elsewhere.

Please keep this list with the vehicle in the glove box, when any information is needed, it will be readily available. Any irregularities found with/during the over-all inspection process will be noted in the contents of the following pages.

**Thank you,
Northern State Auto, Inc.**

☐ **If this box is checked this is a certified vehicle (the vehicle is ten (10) model years old or less and has less than 100000 miles). See below:**

CERTIFICATION NOTICE – Northern State Auto, Inc.

This vehicle has gone through a certification process consisting of the following:

The vehicle has been test driven over various type of terrain/conditions (ie. hills, highway, city, hot, cold, etc.)

The vehicle comes to you with a warranty as per New York State Lemon Law minimum requirement and possibly beyond.

The vehicle will qualify (vehicles under 150,000 miles) for an optional extra cost extended warranty.

We service not only what we deem necessary on our vehicles, but we also service items we feel to be a potential problem in the future. As feasibly as possible.

We provide “more for less” if you consider all of the time, money and effort we put into our vehicles.
